§ 91.21 ABATEMENT PROCEDURE.

(A) The owner or occupant of any real estate within the corporate limits or zoning jurisdiction of the village shall keep such real estate free of nuisances. Except to the extent that conflicting procedures are otherwise provided, the procedures in this section shall apply to abatement of nuisances.

(B) Upon determination by the Board of Health or designated official that the owner or occupant of any such real estate has failed to keep the real estate free of nuisances, notice to abate and remove such nuisance and notice of the right to a hearing before the Board of Trustees and the manner in which it may be requested shall be given to each owner or owner's duly authorized agent and to the occupant, if any, by personal service or by certified mail. If notice by personal service or certified mail is unsuccessful, notice shall be given by publication in a newspaper of general circulation in the village or by conspicuously posting the notice on the real estate upon which the nuisance is to be abated and removed. The notice shall describe the condition as found by the Board of Health or designated official and state that the condition has been declared a nuisance and must be remedied at once.

(C) If within five days after receipt of such notice or publication or posting, whichever is applicable, the owner or occupant of the real estate does not request a hearing with the village or fails to comply with the order to abate and remove the nuisance, the village may have such work done.

(D) If within five days after receipt of such notice or publication or posting, whichever is applicable, the owner or occupant requests in writing a hearing with the Board of Trustees, the Board shall fix a time and place at which a hearing will be held. Notice of the hearing shall be given by personal service or certified mail and require the owner or occupant to appear before the Board to show cause why such condition should not be found to be a nuisance and remedied. The notice shall be given not less than seven nor more than 14 days before the time of the hearing. Upon the date fixed for the hearing and pursuant to the notice, the Board shall hear all objections made by the owner or occupant and shall hear evidence submitted by the Board of Health or designated official. If the owner or occupant refuses or neglects to promptly comply with the order to abate and remove the nuisance, the Board may have such work done.

(E) The costs and expenses of any such work shall be paid by the owner. If unpaid for two months after such work is done, the village may either:

(1) Levy and assess the costs and expenses of the work upon the real estate so benefitted in the same manner as other special taxes for improvements are levied and assessed; or

(2) Notice to abate and remove such nuisance and notice of the right to a hearing and the manner in which it may be requested shall be given to each owner or owner's duly authorized agent and to the occupant, if any, by personal service or certified mail. Within 30 days after the receipt of such notice, if the owner or occupant of the lot or piece of ground does not request a hearing or fails to comply with the order to abate and remove the nuisance, the village may have such work done and may levy and assess all or any portion of the costs and expenses of the work upon the lot or piece of ground so benefitted in the same manner as other special taxes for improvements are levied or assessed.

The village shall establish the method of notice by ordinance. If notice is given by first-class mail, such mail shall be conspicuously marked as to its importance. Within five days after receipt of such notice, the owner or occupant of the lot or piece of ground may request a hearing with the village to appeal the decision to abate or remove a nuisance by filing a written appeal with the office of the Village Clerk. A hearing on the appeal shall be held within 14 days after the filing of the appeal and shall be conducted by an elected or appointed officer as designated in the ordinance. The hearing officer shall render a decision on the appeal within five business days after the conclusion of the hearing. If the appeal fails, the village may have such work done. Within five days after receipt of such notice, if the owner or occupant of the lot or piece of ground does not request a hearing with the village or fails to comply with the order to abate and remove the nuisance, the village may have such work done.

(2) The costs and expenses of any such work shall be paid by the owner. If unpaid for two months after such work is done, the village may either:

(a) Levy and assess the costs and expenses of the work upon the lot or piece of ground so benefitted in the same manner as other special taxes for improvements are levied and assessed; or

§ 92.03 MAINTENANCE AND CONTROL.

The Board of Trustees shall have the care, supervision, and control of all public highways, bridges, streets, alleys, public squares, and commons within the village and shall cause the same to be kept open and in repair and free from nuisances.

(Neb. RS 17-567)

§ 92.04 REGULATION OF OBSTRUCTIONS.

(A) The village shall have the power to remove all obstructions from the sidewalks, curbstones, gutters, and crosswalks at the expense of the person placing them there or of the village and to require and regulate the planting and protection of shade trees in and along the streets and the trimming and removing of such trees.

(B) The village shall have the power to regulate the building of bulkheads, cellar and basement ways, stairways, railways, windows, doorways, awnings, hitching posts and rails, lampposts, awning posts, all other structures projecting upon or over and adjoining, and all other excavations through and under the sidewalks in the village.

(Neb. RS 17-555)

removed, and the cost of removal paid out of the street fund. The Board of Trustees shall assess the cost of the notice and removal of the encroachment against the abutting property. The special assessment shall be known as a special sidewalk assessment and, together with the cost of notice, shall be levied and collected as special taxes in addition to the general revenue taxes, and shall be subject to the same penalties and shall draw interest from the date of the assessment. A suitable passageway for pedestrians shall be maintained within the public space included in the permit, which passageway shall be protected and lighted in the manner required by the Overseer of Streets.

§ 92.10 GUTTERING AND EAVE SPOUTS.

It shall be unlawful for any person to erect or maintain any dwelling house or business building within the limits of the village where the dwelling or building abuts on any sidewalk or street without providing proper guttering and eave spouts to receive the waste waters that collect on the sidewalks and streets. All eave spouts erected on any dwelling house or business building shall be constructed to drain into the alleys or shall be buried beneath the sidewalks and drain into the streets where it is found to be impossible to drain the eave spouts into the alley.

(A) It shall be unlawful for any person to obstruct, or encumber, by fences, gates, buildings, structures, or otherwise, any of the streets, alleys, or sidewalks.

(B) The public ways and property shall be considered to be obstructed when the owner or occupant of the adjacent property permits or suffers to remain on any premises owned or controlled by him or her any hedge, shrubbery, bush, or similar growth within two feet adjacent to the lot line, whether there is a sidewalk abutting or adjoining the premises or not. It shall be the duty of owners and occupants to at all times keep trimmed and pruned all such similar growth.

(C) Trees and shrubs growing upon the lot line partially on public ground and partially upon the abutting property, or wholly upon the abutting property, and interfering with the use, making, or construction of any public improvement or so that the roots thereof interfere with any utility wire or pipe shall be deemed an obstruction. Such trees and shrubs and their roots may be removed by the village at the expense of the owner of the property upon which the trees or shrubs are partially or wholly located if the owner fails or neglects, after notice, to do so.

(D) When any obstruction described in this section is determined to exist, the village may proceed against the owner or occupant of the property adjacent to the sidewalk space as provided in § 91.21. Penalty, see § 10.99

§ 92.12 TREES IN SIDEWALK SPACE.

(A) No person shall plant any tree or allow any tree to grow within the sidewalk space without first making a written or verbal application to and receiving a written permit from the Overseer of Streets upon payment of the fee, if any, established by the Board of Trustees.

(B) Any tree planted within the sidewalk space after the adoption of this prohibition shall be deemed to be unlawfully planted and growing and may be determined to be a nuisance. Nothing in this section shall be construed to apply to any trees growing within the sidewalk space prior to the adoption of this prohibition.

(C) When any such tree is determined to be a nuisance, the village may proceed against the owner or occupant of the property adjacent to the sidewalk space as provided in § 91.21. Penalty, see § 10.99

§ 92.13 OVERHANGING BRANCHES.

SALE AND ACQUISITION OF PROPERTY; PUBLIC WORKS

§ 92.30 SALE AND CONVEYANCE; REAL PROPERTY.

(A) Except as provided in division (G) of this section, the power of the village to convey any real property owned by it, including land used for park purposes and public squares, except real property used in the operation of public utilities, shall be exercised by resolution, directing the sale at public auction or by sealed bid of that property and the manner and terms thereof, except that the property shall not be sold at public auction or by sealed bid when:

(1) The property is being sold in compliance with the requirements of federal or state grants or programs;

(2) The property is being conveyed to another public agency; or

(3) The property consists of streets and alleys.

(B) The Board of Trustees may establish a minimum price for real property at which bidding shall begin or shall serve as a minimum for a sealed bid.

(C) After the passage of the resolution directing the sale, notice of all proposed sales of property described in division (A) of this section and the terms thereof shall be published once each week for three consecutive weeks in a legal newspaper published in or of general circulation in the village.

(D) (1) If within 30 days after the third publication of the notice a remonstrance against the sale is signed by registered voters of the village equal in number to 30% of the registered voters of the village voting at the last regular village election held therein and is filed with the Board of Trustees, that property shall not then, nor within one year thereafter, be sold. If the date for filing the remonstrance falls upon a Saturday, Sunday, or legal holiday, the signatures shall be collected within the 30-day period, but the filing shall be considered timely if filed or postmarked on or before the next business day.

(2) Upon the receipt of the remonstrance, the Board of Trustees, with the aid and assistance of the Election Commissioner or County Clerk, shall determine the validity and sufficiency of signatures on the remonstrance. The Board of Trustees shall deliver the remonstrance to the Election Commissioner or County Clerk by hand carrier, by use of law enforcement officials, or by certified mail, return receipt requested.

(3) Upon receipt of the remonstrance, the Election Commissioner or County Clerk shall issue to the Board of Trustees a written receipt that the remonstrance is in the custody of the Election Commissioner or County Clerk. The Election Commissioner or County Clerk shall compare the signature of each person signing the remonstrance with the voter registration records to determine if each signer was a registered voter on or before the date on which the remonstrance was filed with the Board of Trustees. The Election Commissioner or County Clerk shall also compare the signer's printed name, street and number or voting precinct, and village or post office address with the voter registration records to determine whether the signer was a registered voter. The signature and address shall be presumed to be valid only if the Election Commissioner or County Clerk determines that the printed name, street and number or voting precinct, and village or post office address match the registration records and that the registration was received on or before the date on which the remonstrance was filed with the Board of Trustees. The determinations of the Election Commissioner or County Clerk may be rebutted by any credible evidence which the Board of Trustees finds sufficient. The express purpose of the comparison of names and addresses with the voter registration records, in addition to helping to determine the validity of the remonstrance, the sufficiency of the remonstrance, and the qualifications of the signer, shall be to prevent fraud, deception, and misrepresentation in the remonstrance process.

(4) Upon completion of the comparison of names and addresses with the voter registration records, the Election Commissioner or County Clerk shall prepare in writing a certification under seal setting forth the name and address of each signer found not to be a registered voter and the signature page number and line number where the name is found, and if the reason for the invalidity of the signature or address is other than the nonregistration of the signer, the Election Commissioner or County Clerk shall set forth the reason for the invalidity of the signature. If the Election Commissioner or County Clerk determines that a signer has affixed his or her signature more than once to the remonstrance and that only 1 person is registered by that name, the Election Commissioner or County

Clerk shall prepare in writing a certification under seal setting forth the name of the duplicate signature and shall count only the earliest dated signature.

(5) The Election Commissioner or County Clerk shall certify to the Board of Trustees the number of valid signatures necessary to constitute a valid remonstrance. The Election Commissioner or County Clerk shall deliver the remonstrance and the certifications to the Board of Trustees within 40 days after the receipt of the remonstrance from the Board of Trustees. The delivery shall be by hand carrier, by use of law enforcement officials, or by certified mail, return receipt requested. Not more than 20 signatures on one signature page shall be counted.

(6) The Board of Trustees shall, within 30 days after the receipt of the remonstrance and certifications from the Election Commissioner or County Clerk, hold a public hearing to review the remonstrance and certifications and receive testimony regarding them. The Board of Trustees shall, following the hearing, vote on whether or not the remonstrance is valid and shall uphold the remonstrance if sufficient valid signatures have been received.

(E) Real estate now owned or hereafter owned by the village may be conveyed without consideration to the state for state armory sites or, if acquired for state armory sites, shall be conveyed strictly in accordance with the conditions of Neb. RS 18-1001 through 18-1006.

(F) Following passage of the resolution directing a sale, publishing of the notice of the proposed sale, and passing of the 30-day right-of-remonstrance period, the property shall then be sold. The sale shall be confirmed by passage of an ordinance stating the name of the purchaser and terms of the sale. (Neb. RS 17-503)

(G) Divisions (A) through (F) of this section shall not apply to the sale of real property if the authorizing resolution directs the sale of real property, the total fair market value of which is less than \$5,000. Following passage of the resolution directing the sale of the property, notice of the sale shall be posted in three prominent places within the village for a period of not less than seven days prior to the sale of the property. The notice shall give a general description of the property offered for sale and state the terms and conditions of sale. Confirmation of the sale by passage of an ordinance may be required. (Neb. RS 17-503.01)

§ 92.31 SALE AND CONVEYANCE; PERSONAL PROPERTY.

If the fair market value of the property is greater than \$5,000, notice of the sale shall also be published once in a legal newspaper published in or of general circulation in the village at least seven days prior to the sale of the property. The notice shall give a general description of the property offered for sale and state the terms and conditions of sale.

If the date for filing the remonstrance falls upon a Saturday, Sunday, or legal holiday, the signatures shall be collected within the 30-day period, but the filing shall be considered timely if filed or postmarked on or before the next business day. If a remonstrance with the necessary number of qualified signatures is timely filed, the question shall be submitted to the voters of the village at a general village election or a special election duly called for that purpose. If the purchase or construction is not approved, the property involved shall not then, nor within one year following the election, be purchased or constructed; or

(3) No such election for the issuance of such bonds shall be called until a petition therefor signed by at least 10% of the legal voters of the village has been presented to the Board of Trustees. The number of voters voting at the last regular village election prior to the presenting of the petition shall be deemed the number of votes in the village for the purpose of determining the sufficiency of the petition.

(4) The question of bond issues for such purpose in the village when defeated shall not be resubmitted for six months from and after the date of such election.

(5) When the building to be constructed is to be used by the state or its agency or agencies under a lease authorized by Neb. RS Chapter 72, article 14, or the building is to be leased by any other political or governmental subdivision of the state, when the combined area of the building to be leased by the state or its agency or agencies and the political or governmental subdivision of the state is more than 50% of the area of the building, and when such sum does not exceed \$2,000,000, then no such vote of the electors will be required.

(A) For the purpose of this section, the following definition shall apply unless the context clearly indicates or requires a different meaning.

SPECIAL DAMAGES. Only those losses or damages or injuries which a property owner suffers that are peculiar or special or unique to his or her property and which result from the Board of Trustees vacating a street, avenue, alley, lane, or similar public way. **SPECIAL DAMAGES** shall not mean those losses or damages or injuries that a property owner suffers that are in common with the rest

of the village or public at large, even though those losses or damages or injuries suffered by the property owner are greater in degree than the rest of the village or public at large.

(B) Whenever the Board of Trustees decides that it would be in the best interests of the village to vacate a street, avenue, alley, lane, or similar public way, the Board of Trustees shall comply with the following procedure.

(1) *Notice.* Notice shall be given to all abutting property owners either by first class mail to their last known address or if there is no known address then by publishing the notice in a newspaper that is of general circulation in the village. The content of the notice shall advise the abutting property owners that the Board of Trustees will consider vacating that street, avenue, alley, lane, or similar public way at its next regular meeting, or, if a special meeting is scheduled for the discussion, then the date, time, and place of that meeting.

(2) *Consent; waiver.* The Board of Trustees may have all the abutting property owners sign a form stating that they consent to the action being taken by the Board of Trustees and waive their right of access. The signing of this form shall have no effect on claims for special damages by the abutting property owners but shall create the presumption that the Board of Trustees' action was proper. If the abutting property owners do not sign the consent/waiver form, the Board of Trustees may still proceed with vacating the street, avenue, alley, lane, or similar public way under the authority granted by Neb. RS 17-558 and 17-559.

(3) *Ordinance.* The Board of Trustees shall pass an ordinance that includes essentially the following provisions:

- (a) A declaration that the action is expedient for the public good or in the best interests of the village;
- (b) A statement that the village will have an easement for maintaining all utilities; and
- (c) A method or procedure for ascertaining special damages to abutting property owners.

(C) The Chairperson shall appoint three or five or seven disinterested residents of the village to a special commission to ascertain the amount of special damages that the abutting property owners are entitled to receive and which resulted from the Board of Trustees vacating the street, avenue, alley, lane, or similar public way. The appointees of the special commission shall be approved by the Board of Trustees. Only special damages shall be awarded to the abutting property owners.

(D) In determining the amount of compensation to award the abutting property owners as special damages, the commission shall use the following rule:

An abutting property owner is entitled to recover as compensation the difference between the value of the property immediately before and immediately after the vacating of the street, avenue, alley, lane, or similar public way. If no difference in value exists, the abutting property owner is entitled to no compensation.

§ 92.70 CROSSINGS.

The Board of Trustees may order and cause to be constructed, under the supervision of the Overseer of Streets, those street, avenue, and alley crossings as the Board of Trustees deems necessary. When a petition for the construction of any such crossings is filed by an interested resident in the office of the Village Clerk, the Village Clerk shall refer the application to the Overseer of Streets, who shall investigate and make a recommendation to the Board of Trustees. Action by the Board of Trustees on the application, whether the application is approved or rejected, shall be considered final.

§ 92.71 NAMES AND NUMBERS.

The Board of Trustees may at any time, by ordinance, rename any street or provide a name for any new street. Buildings used for residence or business purposes and located along those streets shall retain those numbers as the Board of Trustees may require. It shall be the duty of the Overseer of Streets, upon the erection of any new building, to assign the proper numbers to the building and give notice to the owner and occupant of the same.

Penalty, see § 10.99

§ 92.72 DRIVEWAY APPROACHES.

(A) The Overseer of Streets may require the owner of property served by a driveway approach constructed or maintained upon the street right-of-way to repair or replace any such driveway approach which is cracked, broken, or otherwise deteriorated to the extent that it is causing or is likely to cause damage to or interfere with any street structure, including pavement or sidewalks.

(B) The Village Clerk shall give the property owner notice by registered letter or certified mail, directed to the last known address of the owner or the agent of the owner, directing the repair or replacement of the driveway approach. If within 30 days of mailing the notice the property owner fails or neglects to cause the repairs or replacements to be made, the Overseer of Streets may cause the work to be done and assess the cost upon the property served by the approach.

(Neb. RS 18-1748) Penalty, see § 10.99

§ 92.73 EXCAVATION.

It shall be unlawful for any person to make an excavation in any street or streets for any purpose whatsoever unless a written permit is issued by the Overseer of Streets authorizing those excavations.

Penalty, see § 10.99

§ 92.74 DRIVING STAKES.

It shall be unlawful for any person to drive any peg or stake of any kind into the pavement in any street or alley without first procuring the written consent of the Overseer of Streets.

Penalty, see § 10.99

§ 92.75 MIXING CONCRETE.

It shall be unlawful for any person to mix any concrete or plastering material directly on the street pavement for any reason whatsoever.

Penalty, see § 10.99
