DRINKING WATER STATE REVOLVING FUND PROJECT

Village of Duncan - Water Main Replacement

Financing Provided through the State Revolving Fund Program
Below Market Interest Loan — \$708,000
Loan Forgiveness Grant — \$389,400

The Village of Duncan, Nebraska has been awarded a below market interest loan from the State Revolving Fund (SRF) Program for replacing and installing water mains in several sections of the Village's water distribution system. This will alleviate dead ends, provide redundancy, and provide mains sized appropriately for fire protection. Federal and state funds are being used for this project to help grow our communities and to help grow Nebraska. For more information on the SRF Program, please visit our website at:
